

Mrs. Prideaux's Weekly Newsletter for the Week of November 11th, 2019

Reader's Workshop: The students are using drawing to help them comprehend their reading text.

Math Workshop: Our class is continuing to learn about different addition strategies. These strategies include: Double facts plus or minus one, making a ten, and using addition to help us solve subtraction problems. Please continue to have your child practice math at home through the Prodigy game and Xtramath.

Writer's Workshop: The students have begun their Thanksgiving stories. They were given a choice of writing a personal narrative about Thanksgiving or a fictional tale. I can't wait to see what they come up with! While we write, we are focusing on end marks and beginning our sentences with a capital letter.

Religion: This week we will learn about the Divine Mercy.
