Jan. 23, 2020

Dear second grade parents,

We had a busy, but short, week here in second grade. Thank you to all the parents who attended the sacrament meeting on Tuesday. Only a few weeks left until the students receive the sacrament of Penance and Reconciliation!

We are all ready for a great Catholic Schools' Week. The fun begins with our Open House on Saturday from 2:00 to 4:00. Then we will gather for 4:30 Mass followed by the Spaghetti Dinner. There are many fun activities planned for each day of the school week, too. Please check your school newsletter for the specifics.

Remember there will be no school tomorrow or next Friday.

Students had the opportunity to purchase books at the Book Fair today. The Book Fair will be open for business again today during conferences from noon to 7:00 in the parish hall (cafeteria), and again during Open House on Saturday from 2:00-4:00.

Parent-teacher conferences begin at noon today. I'm looking forward to meeting with all of you.

Second graders will be leading the Mass this coming Wednesday. The students with speaking parts are bringing a copy home today. Please help them practice. They will join the first graders serving donuts to the parishioners after Mass, too.

Blessings,

Mrs. Knowski
