

6th Grade News

10/26/2023

The students took their first field trip this year to the Milwaukee Symphony Orchestra today. The topic of this year's symphony was the Planets. The 6th grade class had a good time enjoying the lively music. The concert concluded with a fan favorite, the theme to Star Wars!

Monday, October 30th will be the next Wellness Warriors event. The event will run from 2:45 – 3:45 pm. Permission slips are needed and can still be submitted to the school office tomorrow. **This will be an out-of-uniform day for all students.** We are recommending that those who will participate in the Fright Night event wear comfortable clothing that will be good for physical activity. Reminder – shorts MAY NOT be worn.

We will be having a small, Fall Classroom Celebration on Tuesday, October 31, 2023. Thank you to the families that signed up to bring supplies and treats for the event. If you didn't get a chance to sign up this time, we will also have a celebration in December. Items can be brought to school either Monday or Tuesday.

Tuesday will also be the final day for the 6th grade students to take any Accelerated Reader tests for the month of October goals. If your child is close to finishing a book, this weekend would be the perfect time now that Soccer is over. The students should be reading at least 20 minutes per day as part of their literacy homework for the week. We have been adding new reading selections to our classroom and school libraries.

On Wednesday, November 1, we will celebrate our Mass of the Saints and VIP Day. Thank you to those of you who will help transform your child into a saint for the day. Students may bring their uniform to change into after Mass or they can stay in their "saintly" attire for the remainder of the day. After Mass, the students and their guests will be split up to attend lunch and BINGO. Groups will then switch to the other activity. Classes will be held after these events.

The 7th & 8th grade students in the National Junior Honor Society will be selling Advent Calendars (with Chocolate candy) during November. Please watch for the flyer and order form in a future Thursday Folder.

Honor Cards are in full effect and have been staying clean (for most of our friends). We still have 1 month of school until the end of the first Trimester. PLEASE remember to check your child's Honor Card regularly. It is stapled inside the front cover of their assignment notebook, which should come home every afternoon. It is important for your child to hear your comments and expectations before you receive an e-mail or phone call from school because their green Honor Card is filling up.

I am blessed to have you on our team as we work together to sharpen the faith and knowledge of our sixth-grade students. Please contact me with any questions or concerns. I am looking forward to a fantastic year as I work with you and your child.
