

6th Grade News

10/24/2025

Home and School is sponsoring Trunk or Treat on the north side of our school playground TONIGHT from 6:30-8:00 pm. Please see the information in the school newsletter for more details about signing up, when to arrive, and what to expect.

The Wellness Warriors will be hosting an event on Monday, October 27th. The Wellness Warriors Fall Ball will be held in the gym from 2:45 – 3:45 pm. Please return the permission slip and mark your calendars if your child is planning to attend. Permission slips were due back by Thursday, October 23rd. **This will be an out-of-uniform day for the entire school.** Please help your child choose appropriate clothing for the activities & weather of the afternoon, as well as items of clothing that are modest and fit our Catholic school.

I would like to host a Halloween/Fall Party for the class on the afternoon of Friday, October 31st during our art time. A link to the Sign-Up Genius was included with the email that delivered this newsletter. If able, please sign up to bring a small treat for the 6th grade. We have 13 students. We are working to avoid products that contain peanuts and carrots due to allergies in our class, for both this party and daily snack time.

On Wednesday, November 5th, we will celebrate our Mass of Saints and VIP Day. Thank you to those of you who will help transform your child into a saint for the day. Students may bring their uniform to change into after Mass, or they can stay in their “saintly” attire for the remainder of the day. After Mass, the students and their guests will eat lunch and play Bingo together. Classes will be held both before & after these events.

Next week Friday will be the last day to take AR tests for the month. Have you checked with your child regarding his/her AR goal? The students should be working hard to reach or exceed their monthly reading goal. As of this morning, we are at 38% for this month (5 of 13 students)! I know we can go even higher than this percentage though. Reading is such an important life skill. As with all skills, it needs to be practiced if we want to improve. I challenge you to model this skill by sitting down and reading at the same time as your child. Please check in with your child to see what progress he/she has made toward achieving his/her AR goal. Students should be reading a minimum of 20 minutes each night. Please direct any questions regarding your child's monthly AR goal or appropriate level books to Mrs. Wisniewski at ewisniewski@sje.school.

Honor Cards are in full effect and have been staying clean for most of the students. It is the student's responsibility to use his/her assignment notebook throughout the day and write down all their assignments at the end of each class. PLEASE remember to check your child's Honor Card regularly. It is stapled inside the front cover of their assignment notebook, which should come home every afternoon. It is important for your child to hear your comments and expectations before you receive an e-mail or phone call from school because their green Honor Card is filling up.

Physical Education class will be held on Mondays and Tuesdays. Please make sure your child brings a change of clothes for class that are modest and appropriate for the type of movement he/she will be required to do during class. These clothes should come home daily/weekly to be washed. Deodorant is recommended.

I am blessed to have you on our team as we work together to sculpt the faith and knowledge of our sixth-grade students. Please contact me with any questions or concerns at wdunning@sje.school.

Ms. Dunning
