

January 15, 2024

7th Grade Newsletter

- Students with **January birthdays** may be out of uniform tomorrow, January 16.
- We will have an **11 am dismissal** on Thursday, January 18, followed by mid-trimester **conferences**. I look forward to meeting on Thursday afternoon to talk about each student's progress. A reminder that there will be **no school** on Friday, January 19.
- The **Kids Heart Challenge** has officially kicked off, and we hope you will join us as we celebrate a legacy of lifesavers and continue the fight against heart disease and stroke! You can get started now by registering your student at <http://www2.heart.org/goto/StJohnGreenfield> and beginning Finn's Mission! The goal of Finn's Mission is to help kids with special hearts and to teach as many people as possible the lifesaving skills of Hands-Only CPR and the warning signs of a stroke. Click [HERE](#) to hear from Phil and see how Kids Heart Challenge is saving lives! Our class is participating in a competition to have the most students register and complete Finn's Mission. If over 75% of my students take the challenge and at least three students complete Finn's Mission, we will be earning two Amazon gift cards for our classroom! Thank you so much for helping us achieve our goals!
