

March 22, 2024

7th Grade Newsletter

- This week, we planted **peppers** to grow in our classroom; these pepper plants will eventually be transferred to our school garden (when it's not buried in snow). See below for a picture.
- Our **Compassion in Action** collection sponsored by NJHS ends next week. We will be collecting paper products.
- **Easter break** will begin with an 11 am dismissal on Thursday, March 28. We will return to school on Monday, April 8.
- There will be a **fish fry** next Friday, March 29. This is a great opportunity for students to earn service hours; follow this [link](#) to sign up!
