A Note From The Teacher

We began Advent on Monday by learning about our theme "Be a Gift." Each day, we've been learning about a different saint from the book *The Night the Saints Saved Christmas*. Then students are given a mission inspired by the day's saint to complete.

Reminders

Please return your student's signed report card envelope as soon as possible. The 7th grade is collecting **green beans** for our Advent food drive. I encouraged the students to ask to do extra chores to earn the money for four cans of green beans if they do not already have their own money for them.

What We Are Learning

Students finished their blog posts, and we began a new unit about story elements. We also spent time preparing for the Mass that the 7th grade will lead on Monday for the Feast of the Immaculate Conception.

In art class, we worked on finishing our posters for the "Keep Christ in Christmas" poster contest. Please return the entry form that was sent home before Thanksgiving.
