Stand Firm in the faith, be courageous, be strong

Dear Parents and Students:

Although virtual learning went relatively well, I am glad we will be back to full strength in the 8th grade on Friday, October 1. Our first priority is of course the safety and well-being of our students.

It is October, so it is time to start the annual 8th Grade Pumpkin Carving / Decorating Contest. This is always a fun event for the older students. It is not required, but I strongly encourage all 8th graders to use their creativity and skills to create an entry for the contest.

Conference times are set. You should be receiving a letter and Thursday envelope on Friday with the relevant information.
