

The Weekly Newsletter of Mr. Courchane, SJE
January 12, 2024
"Remember that Jesus is the Bread of Life." John 6:35

Dear Parents:

What a week! Two snow days. I was absent the two days in between due to the unexpected passing of my mother-in-law in Chicago. It's been busy.

Conferences have been scheduled. Please be aware of your time. I will be sending the times home on Monday with your student.

Many permission slips / waivers have been sent home (Planetarium, Feeding America, Catholic Youth Rally), please try to return them as soon as possible.

Next week is a short week. Please come to conferences prepared to discuss how we are going to finish the year strongly.

Important January Dates

January 18 – Early Dismissal and Conferences

January 19 – No School

January 27 – School Open House.

Sincerely,

Mr. Courchane
