"Remember that Jesus is the Bread of Life." John 6:35

Dear Parents and Students:

A short week, but busy. We had buddy activities, took a science test, worked on JOG, started making the room look autumnal (despite the 85-degree heat outside!), and continued to progress toward the promised land of graduation.

Due to the rather short teaching week, there will be no Friday folder slip this week. Your student did have a science test. Please inquire of them about their results on that assessment.

A special shout out to the 8th grade gentlemen who did a good job responding to Father Michael's question during the homily at Wednesday mass. Good job being leaders!
