“Live a life that reflects God’s love!”

Dear Parents and Students:

On Thursday the 8th grade attended the Milwaukee Symphony Orchestra Classics for Schools show. They were a good audience, and we heard some wonderful pieces of music.

This week the 8th grade will lead the mass. Our focus is doing what is right here on Earth so we can get through the narrow gate into Heaven. Lately the 8th grade has done a good job of participating at mass and prayer services. Keep it up 8th grade!

Pumpkins are due in one week. Again, this is an optional activity. Class time will not be available to work on them.

Trunk or Treat is tonight. A fun night for little monsters of all ages.

If I do not have your student’s saint slip, please return it as soon as possible. That day is coming up rapidly.
