

The Weekly Newsletter of Mr. Courchane, SJE
September 26, 2025
“Live a life that reflects God’s love!”

Dear Parents and Students:

The eighth grade is already planning its end of the year class trip. Very ambitious of them!

We had another science test this week. The students overall did well on it. The students should keep in mind that if they receive a 1 on a test, they can retake it if; they correct it, get it signed by a parent, and write a short paragraph on how they will prepare differently for the retake.

Mass participation has been good the last two weeks. Keep it up!

The first month of the reading challenge is coming to an end. I hope the eighth graders all meet their goals!

Monday has a few days off for students. Due to the short student weeks coming up, there will be no science journal due in the next two weeks. This was also posted in Google Classroom, but I am not sure every student is regularly checking that, although they should be.

Please keep asking your student to see his or her Friday folder and honor card at least once a week. You can ask me questions on the Friday folder slip, via email at mcourchane@sje.school, or in person, of course.

Important upcoming dates

9/29 – Picture Retakes.

10/1 – St. Lawrence Seminary presentation to boys in grades 6-8

10/3 – Teacher Inservice. No school for students

10/9 – Early Dismissal. Parent/Teacher/Student conferences. Book Fair

10/10 – No School

10/21 – October birthdays out of uniform day

10/30 – Pumpkins for pumpkin contest due.

Sincerely,

Mr. Courchane

8th Grade Homeroom
Middle School Science and Religion

“Two sounds of autumn are unmistakable...the hurrying rustle of crisp leaves blown along the street...by a gusty wind, and the gabble of a flock of migrating geese.” Hal Borland
