- 1/23 Winter Conferences
- 1/24 No School
- 1/25 Open House 2:00-4:30
- 1/29 K4 attend Mass
- 1/31 Scholastic Book order due

## A Note From Ms. Heise

This week we enjoyed some snowman fun! We talked about what is needed to make a snowman and made many fun snowman art pieces. Make sure to check out our new artwork when you come for conferences next week! Just a reminder that student attendance for conferences is required.

Have a great weekend!

## A Peek At What We Are Learning

### Weekly Focus Wall

Letter: S  
Shape: Oval

Number: 13  
Color: Gray

### Math

We continue counting and moving each day. The more we count, the more confident we get! We work to count and build with blocks to match the number card shown. New this week: students had number cards that were out of order and they helped to place them in the correct order 1-10

### Literacy

This week we learned the letter S. We reviewed all previously learned letters and practiced clapping the syllables in words. We also have worked hard this week sorting words by their beginning sound and learned about finger space between words in a sentence. Some books we read this week: "Snowmen at Night," "Sneezy the Snowman," "The Most Perfect Snowman," "The Biggest Snowman Ever," and "Snowmen at Work."

### Religion

We continued talking about how God made each of us unique and special and that he is very happy with what he has made. We played a game where we had to guess what was inside a box and there was a hint that told us that it was something special God created. There was a mirror inside that showed our reflection! We also read a great book called "The One, the Only Magnificent Me!"

## Reminders

We will go outside if the windchill is above zero. Please make sure to send snow pants, hats, and gloves (extra gloves) everyday, even if there is no snow. You may leave snow pants in cubbies if you don't need them at home. Thank you!
