A Note From Ms. Heise

Old Macdonald had a farm! This week we talked about what a farmer's job is and learned about different animals on the farm. We enjoyed making butter and watching the heavy cream turn into whipped cream and separate into butter and buttermilk. Our homemade butter was delicious on toast! We also enjoyed tasting white, chocolate, and strawberry milk. Our class favorite was chocolate!

On Monday we enjoyed learning about Guardian Angels and were excited to get Holy Water and a font to bring home. Enjoy your weekend!

A Peek At What We Are Learning

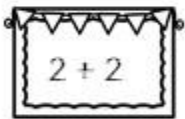

Weekly Focus Wall

Letter: H Number: 4
Shape: rectangle Color: green

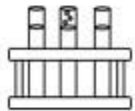

Math

We focused on learning the attributes of squares and circles. In centers we used shapes to make different animals, we sorted shapes, and used farm animals to count from 1-10.

Literacy

This week we learned about the letter H. We continue to review the whole alphabet and identified the first letter in our name. This week we clapped the syllables in our names and counted how many syllables are in each of our names. Some books we read this week: "I'm going to be a Farmer," "Giggle, Giggle, Quack," "Click, Clack Moo Cows that Type," "There Was an Old Lady Who Swallowed a Cow," and "Old Macdonald had a Farm."

Religion

Just like we do, Jesus has feelings. This week we read the story of Lazarus. Lazarus died and Jesus was sad because his friend was dead. Jesus prayed to his Father in heaven and Lazarus rose from the dead making Jesus and everyone else happy. We learned about Saint Katharine Drexel who was born into a rich family and since she cared deeply for the poor, she help start schools for the children.

Reminders

Please remember that snacks sent to school should be healthy, please no cookies or chips. Now that the weather is becoming cooler, please remember to send appropriate sweater or jacket as mornings have been cool.

Also, we are officially out of shorts season until May.
