A Note From Ms. Heise

Fall is here! We enjoyed learning all about fall this week. We even went on a fall scavenger hunt outside to see what wonderful fall items we could find. Thankfully there were already some trees with different color leaves!

This week we had our first virtual Library class with Mr. and Mrs. Ogenoff. We enjoyed some good stories about numbers, letters, and colors. We also enjoyed some surprise stories from some of Benjamin's favorite people for his Star of the Week! Thank you!

Have a great weekend!

A Peek At What We Are Learning

Weekly Focus Wall

Letter: E Number: 3
Shape: triangle Color: yellow

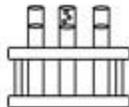

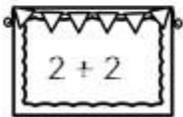

Math

We continue to count out loud and do the correct number of movements. Each day this week we counted objects to 3, 4, and 5. In centers we had fun counting fall beads and writing the number 3.

Literacy

This week we learned about the letter E. We continue to review the whole alphabet and identified the first letter in our name. This week we listened to some sounds in the environment to see if we could pick out high sounds and low sounds. Some books we read this week: "A is for Autumn," "When Autumn Falls," "10 Hooting Owls," "Where the Wild Things Are," "Goodbye Summer, Hello Autumn," "There was an Old Lady who Swallowed some Leaves," and "My Leaf Book."

Religion

This week we learned that Jesus is God's Son. We talked about the three persons of God and how to pray the Sign of the Cross. We are working hard everyday to get the correct motions for the Sign of the Cross. Please work on this at home as well.

Reminders

Just a friendly reminder that we are out of shorts season until May. Girls of course can still wear their jumpers.
