A Note From Ms. Heise

Wow! Catholic Schools week was a blast! We had so much fun experiencing magic with Energizer Olson. We also really enjoyed dressing up and enjoying a relaxing and cozy movie day.

While we had so much fun with our Catholic Schools Week fun, we also learned a lot about wintery animals. We learned about snow leopards, polar bears, and snowy owls. K4 students did a great job comparing polar bears and penguins and had a lot of fun making snow leopards with white chalk and black oil pastels. So proud of all the work we did this week! Have a great weekend!

A Peek At What We Are Learning

This week we had fun with patterns! We learned about AB, AAB, and ABB patterns. We used connecting blocks to make patterns and did different movements to make patterns. Patterns are all around us! We talked about patterns we could see in the classroom and maybe even on our clothes.

This week we learned the letter B and created a list of words that begin with B. We reviewed all previously learned letters. We introduced blending syllables; this was a little tricky for us. We also talked about matching words and looking at the letters to find which words were the same. Some books we read this week: "Polar Bears and Penguins," "National Geographic Kids: Snow Leopards," "National Geographic Kids: Polar Bears," and "National Geographic Kids: Owls." We learned so much about each of these animals!

We learned about the presentation of Jesus at the temple. God kept his promise to Simeon and Anna and they both got to see the Messiah! We know that God will always keep his promises. This week we learned about Saint Blaise. He was a hold man that loved Jesus. We learned that he helped a boy who was choking on a bone and that he prayed to Jesus to help the boy. We can always pray to Jesus for anything!

Reminders

If you haven't already, please send in a shoe box for Valentine's and fill your Ziploc with 100 of any item that you can fit inside the bag. Thank you!
