- 4/15-4/22 Easter Break
- 5/6 Muffins with Moms
- 5/17 May Birthday's out-of-uniform
- 5/18 VIP/Grandparents Day

A Note From Ms. Heise

We've had a lot of fun learning about gardens and plants. We talked about what is in a garden and the parts of a plant. K4 friends had fun making all sorts of cute garden projects and are looking forward to planting seeds for our school garden in the next couple of weeks.

If you haven't sent in your 12 plastic Easter eggs and egg carton, please bring that to school by the end of next week.

Have a wonderful weekend!

A Peek At What We Are Learning

Weekly
Focus

Letter: W

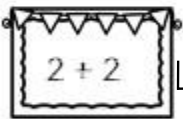

Sight Word: I

Math

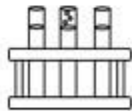

This week reviewed shapes and shape attributes. We even played a game of I Spy to help us review! We took turns finding the missing number in a number line. Each of my K4 friends did a fabulous job, which tells me they know their numbers! In centers we worked on patterns, counting, and measuring using a balancing scale. We've really had fun using the scales this week.

Literacy

This week we learned the letter W. We continue working on blending syllables, finding word spaces, and identifying beginning sounds in words. Some books we read this week: "Lola Plants a Garden," "The Little Flower Seed," "Growing Vegetable Soup," and "The Surprise Garden."

Religion

This week we talked about how God and our parents love us no matter what we do and that it is important to say we are sorry. We've practiced saying sorry a lot this week. We also talked about the importance of saying we forgive each other. Our saint of the week was Saint Augustine. We learned that he was a good student but didn't always do what God wanted him to do. He had to tell God he was sorry and ask for forgiveness.

Reminders

Please make sure to check out the school's Thursday folder online
