- 4/14 Cousins Subs day
- 4/15-4/22 Easter Break
- 5/6 Muffins with Moms
- 5/17 May Birthday's out-of-uniform
- 5/18 VIP/Grandparents Day

## A Note From Ms. Heise

This week we talked about weather. April is a great month for talking about weather, because we see all kinds of weather from snow and rain to sunshine! Boy did we see some snow this week! We brainstormed different types of weather and learned about weather that we don't see in Wisconsin like a hurricane.

Thank you to everyone who signed up and/or donated money for the Kid's Heart Challenge! We exceeded our school goal!

Have a wonderful weekend!

## A Peek At What We Are Learning

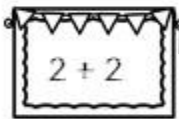

Weekly  
Focus

Letter: X

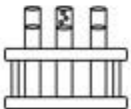

Sight Word: a

Math

Literacy

Religion

This week I introduced word problems and adding small numbers using our fingers and dominoes. These guys are loving this new math unit! They even helped come up with word problems for each other. An example of a word problem that we used was this: I have 2 red pencils and 3 green pencils. How many pencils do I have? 5! Practice doing word problems at home and be wowed!

This week we learned the letter X. We learned a newer concept called onset and rime. This means I say the first sound of the word and then the rest of the word. For example: /l/...amb, lllamb. The word is lamb. This is a very tricky concept, so we will continue working on this concept. We also worked on sounding out words to write, like the word dog. This concept the kids did well. Some books we read this week: "National Geographic Kids: Weather," "Singing in the Rain," "Weather Girls," "It Looked Like Spilt Milk," and "Rain, Rain, Go Away."

This week we focused on Holy week. We're excited for Palm Sunday! We learned about Jesus washing his disciple's feet and how he wants us to always help others. We learned that he did that at the Last Supper when they were celebrating Passover. He also introduced the Eucharist. We've also talked about Jesus dying on the cross, but that he rose from the dead on Easter morning! Our saint this week was Saint Peter Claver. He teaches us to help others and be kind, just as Jesus did.

## Reminders

Please make sure to check out the school's Thursday folder online
