A Note From Ms. Heise

This week in K4 we talked about our families! Who is in our family? Mom, dad, brother, sister, grandma, grandpa, aunts, uncles, cousins, and pets.

Next week we will learn about apples! I am hoping to make applesauce with the students. If you could send one apple to school on Monday, we will make applesauce on Wednesday. Students will get to help peel the apple and teachers will do the rest. This is always such a fun activity!

Have a great weekend!

A Peek At What We Are Learning

Weekly

Letter: L Number: 1

Focus Wall

Shape: circle Color: red

Math

We learned the song The Ants go Marching, practiced counting out loud and with our fingers. A game that we played this week involves rolling a dice, counting the dots on the dice, and then matching the number with blocks. This is an easy game to play at home to help students count objects.

Literacy

This week we learned about the letter L. We reviewed the whole alphabet and talked about uppercase and lowercase letters. We are also working hard writing our names. Some books we read this week: "The Family Book," "Knuffle Bunny," "The Napping House," and "Does a Kangaroo Have a Mother too."

Religion

God created the world! We learned about God creating nature and everything in it, while focusing on the seasons. The Saint of the week was Saint Columba of Iona who founded many monasteries in Ireland. A pamphlet was sent home earlier in the week. Please take the time to talk to your child about what we learned in school and use the pamphlet as a guide.

Reminders

There are no reminders this week! Have a fabulous weekend!
