

# K4 News

## Dates to Remember

- 1/19 No School
- 1/22 Monday Mission T-shirt Day
- 1/27 SJE Open House 2-4
- 1/27-2/1 Catholic School's Week
- 2/2 No School
- 2/9 No School
- 2/26 No School

## A Note From Mrs. Tillman

We learned many fun facts about penguins! Penguins are fascinating birds that love the cold and can't fly. There are many kinds of penguins; some are small, and some are bigger than a K4 student! We really liked learning about penguins!

Thank you all for taking the time to meet with me for conferences. It was wonderful to have a chance to talk to you about your student.

Have a great weekend!

## A Peek At What We Are Learning

### Weekly Focus Wall

Letter: D

Number: 14

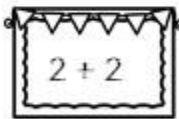

Color Black and Gray

Shape: Square

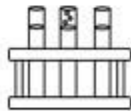

### Math

We continue counting and moving each day. We reviewed shapes and introduced the rhombus and trapezoid. These are tricky shapes, but I think we've got it!

### Literacy

This week we learned the letter D. We reviewed all previously learned letters and practiced clapping the syllables in words. We continued to listen for the beginning sounds in words by saying some fun tongue twisters. Some books we read this week: "National Geographic: Penguins," "The Penguin that Wanted to Fly," and "Penguins."

### Religion

This week we focused on different types of prayer. In Matthew, Jesus teaches us to pray The Lord's Prayer. Some other types of prayer that we learned are prayers of praise, blessing, thanksgiving, petition, and intercession. God wants to talk to us and have a relationship with us. We can do this through prayer!

## Reminders

We will not go outside if the windchill is below zero. Please make sure to send snow pants, hats, and gloves (extra gloves) everyday, even if there is no snow. You may leave snow pants in cubbies if you don't need them at home. Thank you!
