- 1/18 Winter Conferences
- 1/19 No School
- 1/27 SJE Open House 2-4
- 1/27-2/1 Catholic School's Week
- 2/2 No School

## A Note From Mrs. Tillman

We're so glad to be back in school! This week we've enjoyed some fun talks about winter and made some fun projects! We learned that no two snowflakes are the same. God made us unique just like snowflakes!

This week has been full of reviewing so that I can begin assessments for our winter report cards which you will receive before conferences on January 17. I look forward to meeting with you and talking to you about your child!

Have a great weekend!

## A Peek At What We Are Learning

Weekly Focus  
Wall

Letter: Review  
Shape: Review

Number: Review  
Color: Review

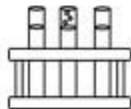

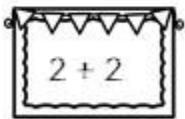

Math

We continue to review counting, identifying, and writing numbers 1-12. We do this while jumping, clapping, and other movements as we count. We love using our dry erase boards to practice writing our numbers. During centers we practiced making patterns with snowflakes.

Literacy

We reviewed all previously learned letters. The kids are having fun writing winter words on their dry erase boards and also doing a great job forming the letters that we have been reviewing this week. Some books we read this week: "No Two Alike," and "The Snowy Day."

Religion

This week we learned that God made each of us unique and special and that he is very happy with what he has made. We learned about Saint Joseph of Cupertino who was a clumsy person, but who eventually was known for his love of God and being lifted off the ground while he prayed.

## Reminders

Please remember to send hats and gloves to school each day. We go outside for recess twice a day and it's definitely been cold in the morning. Thank you!
