Dates to Remember

- 11/10 No School
- 11/21 November Birthday's out of uniform
- 11/22 Early Dismissal
- 11/23-11/24 No School Thanksgiving Break
- 11/30 Scholastic book order due
- 11/30 Reading logs due
- 12/13 Christmas Program

A Note From Ms. Tillman

We learned about Scarecrows this week! We learned the different parts of a scarecrow, such as, a hat, a face, a shirt, pants, and straw. We found out that scarecrows live in gardens or in a field and are used to scare birds away. Based off some of our book's scarecrows aren't always something to be afraid of. We created many different scarecrows, but I think my favorite is the scarecrow they made of themselves!

Have a wonderful weekend!

A Peek At What We Are Learning

Weekly Focus Wall

Letter: C
Shape: Heart

Number: 8
Color: Pink

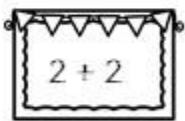

Math

We continue to practice counting and moving to 10 and writing 1-8. We counted fall shapes to match number cards and traced numbers on fun scarecrow cards during centers.

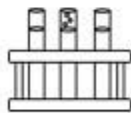

Literacy

This week we learned about the letter C. We also reviewed all of the letters we have already learned. Some concepts we worked on are initial sounds and knowing that names start with a capital letter. Some books we read this week: "The Silly Scarecrow," "Scarecrow Magic," and "The Scarecrow Dance."

Religion

We learned that just like we experience seasons (summer, fall, winter, spring) the church celebrates seasons. We explored the liturgical calendar and talked about the colors that go with each celebration. Purple for advent and lent which is a time of preparation, white or gold for Christmas and Easter which is a time of celebration, red for Pentecost, and green for our ordinary time when we learn about Jesus. Our saint this week was Saint Francis of Assisi.

Reminders

Please make sure students have appropriate outside clothes: jackets, hats, and gloves. It's getting colder and it's better to send the warm items everyday just in case it's cold. Also, please make sure to make your name on all hats, gloves, and jackets. Thank you!
