A Note From Ms. Heise

Gobble, gobble! We've enjoyed hearing stories of how turkeys escape Thanksgiving dinner and about real live turkeys. I look forward to next week when we talk about Thanksgiving and what we are thankful for! Advent starts the first week of December. The school is selling Advent calendars for \$5. Money earned will be donated to the Women's Support Center of Milwaukee.

A Peek At What We Are Learning

Weekly Focus Wall

Letter: O
Shape: Star

Number: 9
Color: White

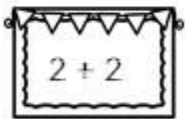

Math

We continue to practice counting and moving to 10 and writing 1-9. We continue to review shape attributes for rectangle, circle, square, and triangle. The kiddos enjoyed practicing how to draw both the shapes and numbers on dry erase boards.

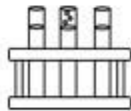

Literacy

This week we learned about the letter O. We also reviewed all the letters we have already learned. Some concepts we worked on are rhyming words and why we add a space in between words. Some books we read this week: "A Plump and Perky Turkey," "10 Fat Turkeys," "The Turkey Train," and "Twas the Night Before Thanksgiving."

Religion

We continued our talk on the liturgical calendar this week. We had fun making a liturgical season wheel that tells us what each of the seasons are and pictures to help us remember. The children are doing well remembering which color matches which season. It was interesting to learn all about what a priest wears to mass and how the priest's vestment matches the color of the season the church is in.

Reminders

Please make sure students have appropriate outside clothes: jackets, hats, gloves (waterproof), snowpants, and boots. It's getting colder and it's better to send the warm items everyday just in case it's cold. Also, please make sure to make your name on all hats, gloves, and jackets. Thank you!
