A Note From Ms. Woytych

Welcome to K4! I am very excited for the 2023-2024 school year! We had a very busy, but fun first week of school. We are all getting used to each other, new adults, and following rules. Feel free to email me anytime at mwoytych@s.je.school.

A Peek At What We Are Learning

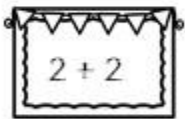

Classroom Procedures

We learned our line order, how to walk quietly in line, sitting polite at our tables or on the carpet, and raising a quiet hand to get the teacher's attention.

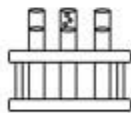

Math

We explored math manipulatives and how to use them safely in the classroom.

We explored literacy activities and graphed our names on a chart to see whose name is longest and whose name is shortest. We also read some fun beginning of the year books! We read "The Kissing Hand," "Llama, Llama Misses Mama," "How Full is your Bucket?" and "I'm Happy-Sad Today."

Literacy

Religion

We read Galatians 5:22-23, which talks about the Fruit of the Spirit. We talked about being kind in the classroom and at school.

Reminders

- If you haven't already, please fill out and send back the Student information sheet, send in a 4x6 family photo, for our display in the hallway, send in gym shoes to keep at school, and an extra change of clothing (with underwear and socks, just in case).
