## A Note From Ms. Woytych

This week in K4 we talked about our families! Who is in our family? Mom, dad, brother, sister, grandma, grandpa, aunts, uncles, cousins, and pets.

Next week we will learn about apples! We have all the apples we need thanks to you! I'm excited to make applesauce as a class. Students will get to help peel the apple and teachers will do the rest. This is always such a fun activity!

Have a great weekend!

## A Peek At What We Are Learning

Weekly  
Focus Wall

Letter: L      Number: 1  
Shape: square      Color: blue

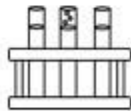

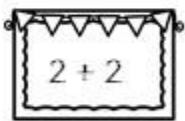

Math

We learned the song The Ants go Marching, practiced counting out loud and with our fingers. We did lots of other movement activities counting to 10.

Literacy

This week we learned about the letter L. We reviewed the whole alphabet and talked about uppercase and lowercase letters. We are also working hard writing our names. Some books we read this week: "The Family Book," "Knuffle Bunny," "The Napping House," and "Does a Kangaroo Have a Mother too."

Religion

God created the world! We learned about God creating nature and everything in it, while focusing on the seasons. The Saint of the week was Saint Columba of Iona who founded many monasteries in Ireland. A pamphlet was sent home earlier in the week. Please take the time to talk to your child about what we learned in school and use the pamphlet as a guide.

## Reminders

- Just a reminder that uniform shirts are either red or white with a collar or turtle neck. Socks should be solid red, white, navy or black only. Also, please take a list at our wish list! We are especially in need of dixie cups and transparent contact paper.
