

K4 Weekly Newsletter

Themes and Activities

Theme: Outer Space

Religion: We reviewed the different titles/names for Jesus! The Son of God, King of kings, the Good Shepherd, Our Redeemer, and Savior. We reviewed that to get to know God, we need to spend time with God. We can do that this Summer through prayer and going to mass.

Math:
We practiced simple addition problems!

Extra Fun: We played with shaving cream (which also cleaned our tables ;)), gave out class awards, saw the 1st grade Peter Rabbit play, and of course, sang in the Summer Send-off Concert!

Literacy:

Students reviewed all the letters and their sounds. We sang the alphabet with only the sounds and played a game where I said a sound and students raised their hands to write the letter.

We read books about Outer Space and some books just for fun. We read "The Moon," "Fly Guy Presents Space," and "Arnie the Doughnut."
