

K4 Weekly Newsletter

Themes and Activities

Theme: Fire Safety

Weekly Focus:

Letter: Review L, F, E, H, T

Number: 1-5

Shape: Circle, triangle, square, rectangle

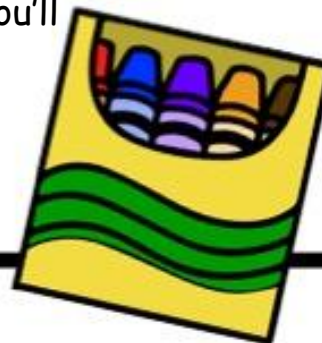

Religion:

We learned that God keeps His promises and we can see that especially in the Bible. In Luke chapter 2, God promised Simeon that he would meet the Messiah before his death. Simeon meets Jesus in the temple and praises God, as well as a woman named Anna. K4 loved acting out the story.

Math: We practiced identifying the numbers we've learned so far and drawing the shapes we've studied. We used cubes and movements to make an ABC pattern.

Literacy: This week we reviewed the letters L, F, E, H, and T. We played a whispering and writing game where students whispered the letter I wrote and then wrote it on dry erase boards.

Science: We made predictions and did a science experiment to find out if pumpkins float (you'll have to ask your child!).

Announcements and Dates to Remember

This week was full of fire safety books and experiences as we got to meet some firefighters from the Greenfield Fire Department.

Don't forget to sign up your student to be a saint for All Saints Day and let us know who is coming that day! If you need to contact me, my email is mwoytych@sje.school.

IMPORTANT DATES:
