Teacher Message

Hello K5 parents!

This week our focus is on using our 5 senses. We are learning all about what we can see, hear, touch, smell, and taste.

Literacy: This week, we are reading stories that help us learn more about our 5 senses! We are focusing on finding the main idea and what key details help us understand the story. An example of this would be; the main idea is 5 senses and a key detail would be the lion smelling flowers.

Religion: This week we are learning that God talks to us in many different ways. We also read the Bible story of creation and learned about how God made everything. We are going to be learning about St. John Chrysostom and our virtue this week is honesty.

Math: We are learning about counting to 5, to show up to 5 objects, and to recognizing numerals and number words to 5.

Science: We are doing lots of fun activities using our senses. We used our sense of sight to try and guess what a zoomed in picture was. We used our sense of hearing to listen and guess the sounds we heard. We used our sense of touch to feel many different things in the garden. We will use our sense of smell to guess what the different items are. We will use our sense of taste to talk about the different ways things taste. An example of this would be the marshmallow tastes sweet.

Extra Notes:
