Teacher Message

Hello K5 Families!

This week we are reading some fables and folktales.

Literacy: This week, we are reading a certain genre of literature. We are reading fables and folktales that have a lesson that we can learn from. For example, in the Lion and the Mouse by Aesop, we learned that you should always be kind to others and that it is okay that our friends look different than us.

Religion: Our saint of the week is St. Francis Xavier Cabrini. She was born in Italy but moved to New York and is the first United States citizen to be declared a saint. We learned about vocations and how God has a special calling for us. As we grow up, our calling from God changes. Some people are called to marriage, single life, religious life, or the priesthood.

Math: We are working on counting, representing, writing, and comparing numbers to 10. Practice counting and writing numbers to 10 with your students at home. We are also learning many number pairs that make ten. Talk about the different number pairs that make 10 with your student.

This week, we remember and thank all the veterans for their service and dedication to protect our country!

St. Francis Xavier Cabrini, pray for us!
