Teacher Message

Hello K5 Families!

Literacy/Social Studies: This week we continued to learn about American Symbols. We learned about the American Flag, the White House, the Washington Monument, and the Bald Eagle. We have been writing down our favorite facts about each of these symbols.

Religion: Our saints of the week are St. Jacinta and Francesco Marto. They are siblings and Our Lady of Fatima appeared to them many times. We also learned about Jesus' gathering of the 12 Apostles. We talked about how Jesus called them to follow him and teach others about God. We too can be like the Apostles and follow Jesus with our words and actions leading others closer to God. We spent some time reflecting on the 3rd Station of the Cross, Jesus Falls for the First Time and the 4th Station of the Cross, Jesus meets His Mother, Mary. We also learned about the first miracle Jesus performed when He changed water into wine at the Wedding at Cana.

Math: The students are learning about the attributes of 3D shapes. We are learning that they are solid. Some 3D shapes can slide, roll, and/or stack. This week, we focused on the sphere, cube, and rectangular prism. We learned about some attributes like how many surfaces/faces, edges, and vertices each of these shapes have.

Service Project: See flier in Thursday Folder (from the SJE Office) for more information.
