

Greetings 2021-2022

Hello and welcome to the 2021-2022 School Year!

As the Social Studies Teacher for grades 5-8, I simply wanted to provide a little background on what I want to achieve with the students. Class will be a combination of direct instruction by myself to ensure that the students are receiving the main points. However, students will also be expected and encouraged to complete independent work so that they understand how to find and synthesize information. This is a necessary tool for all students to have.

My classes will have various quizzes and tests, but students will also be expected to create power points, timelines and posters as a way of explaining and sharing their skills and content knowledge.

Feel free to contact me at rgutierrez@sje.school if you have concerns or questions. Thank you for your time and Blessings to all as we share in the gifts of the Lord.
