

*Mary Jo Kaminski*  
*School Secretary*

I have been the secretary at St. John the Evangelist School since 1998. My experience with our school goes back to 1992, when my oldest child started kindergarten. All three of my children have benefited from the outstanding education they received at SJE.

Chances are good that when you call or visit St. John's, I am the one who will answer the phone or the door. The interaction with parents and students is part of what makes my job so enjoyable. I pride myself in knowing all the children and many of the parents by name.

I consider myself fortunate to work in such a nurturing environment with a caring and hard-working principal and faculty. On a daily basis I see their professionalism and dedication to the work they do on behalf of the children here. I am pleased to be part of this wonderful school.
