I graduated from UW-LaCrosse with a degree in Physical Education. I have taught on and off in the Archdiocese of Milwaukee and with the Greater Milwaukee Catholic Home Educators Organization. I love my faith and I love to be active. These two forums have given me the opportunity to share my love for both!

Being a parishioner at St. John the Evangelist allows me to share my faith with my students at Mass. I also have come to know and love the sense of family that this school and parish offer.

I believe that we can only be our best when we are spiritually, emotionally, physically and intellectually 'fit'. I use my time with my students to promote these four areas because they are so intermingled. I promote accountability for oneself, working hard to achieve their highest potential and quality of work over quantity. I hope to instill a desire and confidence to be active for a lifetime.

I feel very blessed and honored to work with you in helping these students to be the best that they can be.
