

Jennifer Unger

3rd Grade

I am happy to be a part of the St. John the Evangelist School community. I grew up in Omaha, Nebraska. I graduated from the University of Kansas with both a B.S. and an M.S. in Education. My husband and I have two daughters. Our family is very active in parish life at St. Anthony on the Lake, in Pewaukee, and both girls are enrolled in our parish school.

The mission of our school is "St. John the Evangelist: a community modeling and nurturing Catholic values and academic excellence in partnership with families". Truly our ultimate mission is to help each other get to heaven! I firmly believe that in a Catholic school, we not only teach our children math, reading and science, we teach our children how to be effective members of the Catholic community.

As a teacher it is my duty to get to know your child and help them be the best they can be. Teachers identify strengths and growing edges. It is my earnest desire to impart to your child the tools to become successful lifelong learners.
