

ST. JOHN THE EVANGELIST SCHOOL

DRESS CODE

Updated April 2021

It should be noted that it is the request of most parents that their children wear a uniform or have a dress code, and that it is part of our school policy and procedures to use a uniform dress code. Both parents and students are responsible for seeing to it that the dress code is followed. Students are responsible for their conduct at school and at school related activities. Every family will be expected to conform to the dress code requirement.

Anything not listed in the dress code is prohibited. The administration reserves the right to make the final decision about whether or not a student's attire complies with the dress code. Students whose dress does not meet the standards of our dress code will be provided with appropriate attire from our uniform closet, or parents will be contacted to bring appropriate clothing to school. (4/21)

We believe that Christian modesty, self-respect, cleanliness and safety are required for in school and out of school events. Any clothing or apparel that is visible is subject to the dress code.
