

Confirmation Service Log (2nd Year ONLY)

Our Lady of Guadalupe Church - Faith Formation Office

All students going through the Confirmation Program at Our Lady of Guadalupe Church are required to complete **at least 10 hours of service each year in 5 various categories.** The categories are Service to the Family, Involvement in Parish Ministries, Direct Social Justice, Indirect Social Justice, and Help parish with collecting material and monetary goods. Jesus calls us to go out and serve our brothers and sisters in Christ. The Confirmation Program is intended to help deepen your faith and develop a strong Catholic Christian life and habits.

In your first year, you filled out a service reflection form for each category, however, in your second year you will be logging hours on this form. If you are unsure if a specific activity will count for your service hours, please check with the Confirmation Coordinator for approval. Hours that are logged and turned in may not count if they have not been approved. In lieu of a reflection form in your second year, you will be asked several questions about the service that you did in your interview at the end of the year. Please note below that the 5 categories are filled in for you so you just need to match the service you completed with the category. Forms will not be accepted without a signature.
