Confidential and sensitive information about faculty, other parents and/or children will not be shared with parents, as St. Ignatius Early Childhood Center strives to protect everyone’s right of privacy. Confidential information includes, but is not limited to: names, addresses, phone numbers, disability information, and HIV/AIDS status or other health related information of anyone associated with St. Ignatius Early Childhood Center.

Any parent who violates the Confidentiality Policy will not be permitted on school property thereafter. Refer to the policy regarding Parents Right to Immediate Access for additional information regarding dis-enrollment of a child when a parent is prohibited from accessing school property.

You may observe children at our center who are disabled or who exhibit behavior that may appear inappropriate (i.e. biting, hitting, and spitting). Employees of St. Ignatius Early Childhood Center are strictly prohibited from discussing anything about another child with you.

POLICY: MANDATED REPORTING OF SUSPECTED CHILD ABUSE AND/OR NEGLECT **POLICY NO.: 8**

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Under the Child Protective Services Act, mandated reporters are required to report any **suspicion** of abuse or neglect to the appropriate authorities. The employees of St. Ignatius Early Childhood Center are considered mandated reporters, under this law. The employees of St. Ignatius Early Childhood Center are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition prior to making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. We at St. Ignatius Early Childhood Center take this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

As mandated reporters, the staff of St. Ignatius Early Childhood Center cannot be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith."

Causes for reporting suspected child abuse or neglect include, but are not limited to:

- ◆ Unusual bruising, marks, or cuts on the child's body
- ◆ Severe verbal reprimands
- ◆ Improper clothing relating to size, cleanliness, season
- ◆ Transporting a child without appropriate child restraints (e.g. car seats, seat belts, etc.)
- ◆ Dropping off or picking up a child while under the influence of illegal drugs or alcohol
- ◆ Not providing appropriate meals including a drink for your child
- ◆ Leaving a child unattended for any amount of time
- ◆ Failure to attend to the special needs of a disabled child
- ◆ Sending a sick child to school over medicated to hide symptoms, which would typically require the child to be kept at home until symptoms subside.
- ◆ Children who exhibit behavior consistent with an abusive situation.

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

St. Ignatius Early Childhood Center requires the parents of enrolled children at all times, to behave in a manner consistent with decency, courtesy, and respect. One of the goals of St. Ignatius Early Childhood Center is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of St. Ignatius Early Childhood Center but, is the responsibility of each and every parent or adult who enters the center. Parents are required to behave in a manner that fosters this ideal environment. **Parents who violate the Parent Code of Conduct will not be permitted on school property thereafter.** Please refer to the Policy on Parent's Right to Immediate Access for additional information regarding dis-enrollment of the child when a parent is prohibited from accessing school property.

9.1 SWEARING/CURSING

No parent or adult is permitted to curse or use other inappropriate language on school property at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time shall inappropriate language be directed toward members of the staff.

9.2 THREATENING OF EMPLOYEES, CHILDREN OTHER PARENTS OR ADULTS ASSOCIATED WITH ST. IGNATIUS EARLY CHILDHOOD CENTER

Threats of any kind will not be tolerated. In today's society St. Ignatius Early Childhood Center cannot afford to sit by idly while threats are made. In addition, all threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. While apologies for such behavior are appreciated, the school will not assume the risk of a second chance. **Parents must be responsible for, and in control of, their behavior at all times.**

9.3 PHYSICAL/VERBAL PUNISHMENT OF YOUR CHILD OR OTHER CHILDREN AT ST. IGNATIUS EARLY CHILDHOOD CENTER

While St. Ignatius Early Childhood Center does not necessarily support nor condone corporal punishment of children, such acts are not permitted in the child care facility. While verbal reprimands may be appropriate it is not appropriate for parents to verbally abuse their child. Doing so may cause undue embarrassment or emotional distress. Parents are always welcome to discuss a behavior issue with the teacher and to seek advice and guidance regarding appropriate and effective disciplinary procedures.

Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent or other adult may physically punish another parent's child. If a parent should witness another parent's child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the parent to direct their concern to the classroom teacher and/or Center Director.

Furthermore, it is wholly inappropriate for one parent to seek out another parent to discuss their child's inappropriate behavior. All behavior concerns should be brought to the classroom teacher or director's attention. At that point, the teacher and/or director will address the issue with the other parent. Although you may be curious as to the outcome of such a discussion, teachers and/or

The Center Director are strictly prohibited from discussing anything about another child with you. All children enrolled in our agency have privacy rights and are further protected by our Confidentiality Policy. You may be assured that we will not discuss anything about your child with another parent or adult visiting the center.

9.4 SMOKING/VAPING/E-CIGARETTES

For the health of all St. Ignatius Early Childhood Center employees, children and associates, ANY smoking is prohibited anywhere on school property. Parents are prohibited from smoking in the building, on the grounds, and in the parking lot of St. Ignatius Early Childhood Center. Parents who are smoking in their cars must dispose of the cigarette prior to entering the parking lot.

9.5 VIOLATIONS OF THE SAFETY POLICY

Parents are required to follow all safety procedures at all times. These procedures are designed not as mere inconveniences, but to protect the welfare and best interest of the employees, children and associates of St. Ignatius Early Childhood Center. Please be particularly mindful of St. Ignatius Early Childhood Center entrance procedures. We all like to be polite. However, we need to be careful to not allow unauthorized individuals into the center. Holding the door open for the person following you may, in fact, be polite; however that person may not be authorized to enter the premises. Security procedures are only as strong as the weakest person in our organizational chain. Be alert and mindful. Immediately report any breaches to the Center Director.

9.6 CONFRONTATIONAL INTERACTIONS WITH EMPLOYEES, OTHER PARENTS OR ASSOCIATES OF ST. IGNATIUS EARLY CHILDHOOD CENTER

While it is understood that parents will not always agree with the employees of St. Ignatius Early Childhood Center or the parents of the other children, it is expected that all disagreements be handled in a calm and respectful manner. Confrontational interactions are not an appropriate means by which to communicate a point and are strictly prohibited.

9.7 VIOLATIONS OF THE CONFIDENTIALITY POLICY

St. Ignatius Early Childhood Center takes very seriously the responsibility of maintaining the confidentiality of all persons associated with the school. Parents must understand the implications of this responsibility. Parents need to recognize that the Confidentiality Policy not only applies to their child or family, but all children, families and employees associated with St. Ignatius Early Childhood Center. Any parent who shares any information considered to be confidential, pressures employees or other parents for information which is not necessary for them to know, will be considered to be in violation of the Confidentiality Policy.

POLICY: PARENT'S RIGHT TO IMMEDIATE ACCESS POLICY NO.: 10

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Parents of a child in our care are entitled to immediate access, without prior notice, to their child whenever they are in care at St. Ignatius Early Childhood Center, as provided by law.

In cases where the child is the subject of a court order (e.g., Custody Order, Restraining Order, or Protection from Abuse Order) St. Ignatius Early Childhood Center must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

In the absence of a court order on file with St. Ignatius Early Childhood Center, **both** parents shall be afforded equal access to their child as stipulated by law. St. Ignatius Early Childhood Center cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, St. Ignatius Early Childhood Center suggests that the parent keep the child with them until a court order is issued, since our rights to retain your child are secondary to the other parent's right to immediate access. St. Ignatius Early Childhood Center staff will contact the local police should a conflict arise.

Visitors are asked to schedule appointments with the Center Director, and are allowed in the child care facility only at the discretion of the Center Director. An employee of St. Ignatius Early Childhood Center will accompany visitors at all times, throughout the center.

St. Ignatius Early Childhood Center will dismiss any child whose parent is prohibited from entering upon school property. Due to the parents' right to immediate access policy, as well as state and federal regulations, St. Ignatius Early Childhood Center cannot have a child at the school when the child's parent is prohibited access. St. Ignatius Early Childhood Center will not agree to any request to maintain a child's enrollment even if the parent agrees to stay out of the center. Such an agreement is a violation of the law and will not be entertained.

POLICY: DISMISSAL

POLICY NO.: 11

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

St. Ignatius Early Childhood Center reserves the right to dismiss any child at any time, with or without cause.

Parents will be refunded any unused tuition within two weeks of the dismissal. A school check will be mailed to the address indicated in the child's file. Any past due balances must be paid within 30 days of the dismissal. An invoice detailing the past due balance will be forwarded to the address indicated in the child's file within one week of the dismissal. Any balances remaining after the 30 day period will be referred to the school's legal counsel for collection.

The Center Director or designee will assist the parent in gathering their child's belongings at the time of dismissal and parents are required to leave school property in a calm and respectful manner, immediately. St. Ignatius Early Childhood Center will request assistance from local police should any parent become disruptive and/or uncooperative while gather their child's belongings upon dismissal.

A dismissed child and his/her parents are required to call and request an appointment with the Center Director if they wish to return to school property following a dismissal. Appointments are made at the discretion of the Center Director and are not a right of the dismissed child or parent.

Following a dismissal, any parent or child who harasses, threatens or in any manner causes harm to anyone affiliated with the school by calling, writing, or any other means, will be prosecuted to the fullest extent of the law, by St. Ignatius Early Childhood Center.

POLICY: WITHDRAW

POLICY NO.: 12

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Two weeks written notice is required when withdrawing a child for any reason. If the proper notice is given, any unused tuition and deposit will be refunded within thirty days of the withdrawal. If the required notice is not given, parents will be charged tuition for two additional weeks and will not have their deposit refunded.

The parents and child, following their last day of enrollment, are not permitted to re-enter school property without prior permission of the Center Director. A withdrawn child and his/her parents are required to call and request an appointment with the Center Director if they wish to return to school property following the last day of enrollment at St. Ignatius Early Childhood Center. Appointments are made at the discretion of the Center Director and are not a right of the withdrawn child or parent.

Parents, who wish to change their child's days or times of enrollment at St. Ignatius Early Childhood Center, must submit a request to do so two weeks in advance of the proposed change. Schedule changes are subject to a change fee.

The Center Director will notify the parents in writing if the new schedule is available. A schedule change will not be considered to be final until a new fee agreement is signed. If the schedule change requires an additional deposit and/or registration fee, the change will also be contingent upon payment of these monies. If the requested schedule is not available parents may choose to continue with the current schedule until such time as the requested schedule becomes available, or may choose to withdraw their child from the program. The date the request for the Center Director receives the schedule change will be used to toll the two weeks notice required for withdraw.

**POLICY: COURT ORDERS EFFECTING
ENROLLED CHILDREN**

POLICY NO.: 13

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

In cases where an enrolled child is the subject of a court order (ex. Custody Order, Restraining Order, or Protection from Abuse Order) St. Ignatius Early Childhood Center must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

In the absence of a court order on file with St. Ignatius Early Childhood Center administration, both parents shall be afforded equal access to their child as stipulated by law. St. Ignatius Early Childhood Center cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, St. Ignatius Early Childhood Center suggests that the parent keep the child with them until a court order is issued.

If conflicting court orders are presented, the most recently dated court order will be followed.

Once presented with a Protection from Abuse Order or a Restraining Order, St. Ignatius Early Childhood Center is obligated to follow the order for the entire period it is in affect. Employees of St. Ignatius Early Childhood Center cannot, at the request of anyone, except the issuing judge, allow a Protection from Abuse Order and/or a Restraining Order to be violated. St. Ignatius Early Childhood Center will report any violations of these orders to the court.

Arrival and Dismissal

St. Ignatius Early Childhood Center uses a carline for both drop-off and pick-up.

The following procedures have been established for the safety of the children, parents and staff. It is very important that St. Ignatius Early Childhood Center procedure be followed. St. Ignatius Early Childhood Center staff will **not** buckle children into their car seat; **we ask that you pull forward to do so.**

Carline Safety

Please stay in your cars. Children are dismissed on the passenger side only. All classes are dismissed at 12:00.

St. Ignatius Early Childhood Center believes it is best for parents to tell the anxious child upon arrival goodbye. This will prepare the child for their departure. The employee present at carline will comfort and assist the child through the anxious time. The longer the parent of an anxious child drags out the departure, the more anxiety the child is likely to feel. The professional employees of St. Ignatius Early Childhood Center are available to discuss other options if the child does not settle into the arrival routine after a reasonable period of time.

Parents are required to notify the child's teacher or Center Director of any special instructions or needs for the child's day. The parent must present the special instructions in the form of a letter and verbally discuss them with either the classroom teacher or Center Director. These special instructions include but are not limited to: Early Pick Up, Alternative Pick up Person, health issues over the previous night which need to be observed and/or any general issues of concern which the staff should be aware to best meet the needs of your child throughout the day.

Parents are required to feed their child a nutritious and filling breakfast prior to arriving at St. Ignatius Early Childhood Center. Parents who send their child to school without having been fed breakfast will be considered to be neglectful of their children's nutritional needs and will be reported to the appropriate authorities as provided for in the Child Protective Services Act.

14.1 NOTIFICATION OF ABSENCE

Parents are required to inform the school office by 9:30 am if a child will not be at the center on a scheduled day. In an effort to ensure your child's safety and per the Pinellas County Licensing Board regulations, we are required to contact you if you fail to notify the school office of your child's absence. Advance notice may be provided when you know your child will be absent for travel, vacation, dental/doctor appointments etc. This will enable the center to more effectively maintain appropriate ratios and help the classroom teacher effectively plan for the day. Parents who fail on 3 occasions in one school calendar year to give proper notice of an absence will result in the child being dismissed from the program.

If your child is ill, we request that you notify the center director not only of the absence, but also of the nature of the illness. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with staff on a "need to know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the Center Director, so that the parents of the children in the school maybe notified that a communicable disease is present. Once

again, only the communicable disease information will be shared. St. Ignatius Early Childhood Center will take all measures necessary to protect your child's confidentiality.

Parents are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

Parents who know in advance that a child will be late, are required to notify the center by 9:30am so as to maintain the appropriate number of employees to ensure ratios is met when the child arrives to school.

14.2 SCHOOL'S RIGHT TO REFUSE ADMISSION

St. Ignatius Early Childhood Center reserves the right to refuse admission to any child at any time with or without cause.

Possible reasons for the refusal of admission include but are not limited to:

1. Lack of staff to maintain appropriate Staff to Child Ratios as determined by State Licensing Regulations.
2. The need to maintain compliance with Licensing Regulations.
3. Staff deems the child too ill to attend.
4. Domestic situations that present a safety risk to the child, staff or other children enrolled at St. Ignatius Early Childhood Center if the child were to be present at the center.
5. Parents' failure to maintain accurate, up to date records.
6. Parents' failure to complete and return required documentation in a timely fashion.

Parents WILL NOT be reimbursed tuition for days when their child is refused admission to the program.

POLICY: PICK UP PROCEDURES

POLICY NO.: 15

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Parents or other authorized adults are required to sign their child out of care on the sign-out sheet located in the front office. Once a parent signs their child out, the parent is then solely responsible for supervising their child while on school premises. The parent may not allow a child to wander through the hallways, bathrooms, other classrooms and/or playground. Parents are required to handle all business issues prior to signing out their child, and are required to directly exit the building once they have signed their child out of care.

Parents or persons designated to act "in loco parentis" are required to sign any incident/accident reports from the day at pick-up. The classroom teacher may be able to briefly discuss the matter with you or other authorized adult at pick-up. However, should you feel it necessary to have an in depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day.

15.1 LATE PICK-UP

All measurements of time are to be according to the St. Ignatius Early Childhood Center clock located in front office. There is a late fee of one dollar per minute per child for children picked up after 12:20. Carline is not the time to have a discussion with a teacher. Call St. Ignatius Early Childhood Center to schedule a meeting if necessary.

A child's services will be terminated should the child be picked-up late on three occasions in one school year regardless of the reasons for the late pick-up. It is the parent's responsibility to ensure that someone (either a parent or Emergency/Alternate pick-up person) is available to pick up the child on time. (For Lunch Bunch after 2:20).

15.2 PERSONS APPEARING TO BE IMPAIRED BY DRUGS/ALCOHOL AT PICK-UP

The staff of St. Ignatius Early Childhood Center will contact local police and/or the other custodial parent should a parent appear to the staff of St. Ignatius Early Childhood Center to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the school from denying a custodial parent access to their child even if the parent is or appears to be impaired. However, St. Ignatius Early Childhood Center staff will delay the impaired parent as long as possible, while contacting the other parent, the local police and Child Protective Services.

Any other authorized person who attempts to pick-up a child, and appears to the staff of St. Ignatius Early Childhood Center to be under the influence of drugs and/or alcohol will be denied access to the child. The staff of St. Ignatius Early Childhood Center will contact the child's parents, local police and Child Protective Services to notify them of the situation.

15.3 EMERGENCY/ALTERNATE PICK-UP FORMS

At enrollment, parents will be asked to provide an Emergency/Alternate Pick-up of two persons. Parents are encouraged to include on this form any, and all persons who, in the course of events, may at one time be asked to pick-up their child from St. Ignatius Early Childhood Center. In an

emergency situation the child's parents will be called first. If they can not be reached staff will call the persons listed on this form until someone can be reached.

Should the staff contact a parent, and the parent is unable to pick up the child, it is then the responsibility of the parent to arrange for their child to be picked up by someone on the emergency list. Failure of the parent to make such arrangements will result in dismissal from the program.

Parents do not need to be listed on the Emergency Contact Form. The nature of the parental relationship affords the parents (in the absence of a court order indicating otherwise) the right to pick-up their child.

Parents will be asked to determine which persons (if any) on the Emergency/Alternate Pick-up form has the right to act "In Loco Parentis." "In Loco Parentis" status affords the pick up person the right to discuss confidential information about the child's day including, but not limited to, incident/accident reports, and behavior issues. In the absence of this designation the people on the Emergency/Alternate Pick Up Form are only afforded the right to pick up the child. Staff is not permitted to discuss the child's day with them.

The persons on the Emergency/Alternate pick-up form will be required to provide Government issued photo ID and raptor scan prior to the agency releasing the child. There will be no exceptions to this rule.

All changes and/or additions to the Emergency/Alternate Pick-up form must be made in writing and be dated and signed. Only custodial parents have the right to make changes or additions to this form.

St. Ignatius Early Childhood Center reserves the right to refuse/ban any person listed on the Emergency/Alternate Contact Form for any reason, including but not limited to violations of the policies/procedures contained herein. It is the responsibility of the enrolling parent(s) to inform each person on the Emergency/Alternate Form of the policies/procedures contained herein.

POLICY: DISCIPLINE/EXPULSION

POLICY NO.: 19

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

DISCIPLINE/EXPULSION POLICY

Every child and parent is expected to respect the other children in the classroom, all staff members and all school equipment here at St. Ignatius Early Childhood Center.

St. Ignatius Early Childhood Center uses a Positive Discipline approach: training the child to control his/her own behavior while teaching them to effectively solve problems and understand feelings, their own as well as others. We accomplish this task in the following manner:

1. Acknowledge the child's feelings, wishes and wants.
2. Communicate the limits.
3. Target the acceptable alternatives.

In case of a serious misbehavior, a Behavior Notification Form will be completed. (A copy will be given to the parent) This form will be signed by the director and placed in the child's file. A conference will be requested after three behavior notifications in an attempt to take control of the situation. Parents' cooperation is expected and the parent must be available for said conference if requested. At no time will children be subjected to discipline which is severe, humiliating, frightening, or associated with food, rest, or toileting. Spanking or any form of physical punishment is prohibited. When discipline problems cannot be resolved, expulsion from St. Ignatius Early Childhood Center's program may result.

POLICY: TOYS FROM HOME

POLICY NO.: 20

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Due to the risk of damage, sharing issues, and loss, children are not permitted to bring in toys from home, unless specifically requested by the classroom teacher for use as part of the curriculum. Parents are responsible for enforcing this policy with their child. Parents are encouraged to consult the classroom teacher should they find their child is having difficulty with this policy.

If the parents fail repeatedly to enforce this policy with their children, the staff will call the parents and require that they come to the school and remove the toy.

All toys brought in for use as part of the curriculum will be inspected by St. Ignatius Early Childhood Center staff for safety and appropriateness, and may be prohibited at the sole discretion of St. Ignatius Early Childhood Center Staff.

POLICY: DRESS CODE

POLICY NO.: 21

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

21.1 CHILDREN

Clothing/Shoes

Children are engaged in various activities during the course of the day; some of these activities can be messy, and/or athletic in nature. Additionally, children are engaged in outdoor play daily, weather permitting. Due to these activities, children are required to be dressed in seasonably appropriate, comfortable clothing and **must wear fully enclosed sneakers/ tennis shoes that tie with laces or Velcro close**. For safety reasons children may not wear boots, crocs, sandals, slippers, slip-on shoes, water shoes, boat shoes, dress shoes or any other kind of footwear that is not a sneaker/tennis shoe.

If a child arrives wearing anything other than a sneaker/tennis shoe, the parents will be called and asked to bring appropriate footwear for their child.

Parents are prohibited from dressing children in overalls, or clothing with difficult closures. These types of clothing present particular challenges for children in relation to toileting.

Children ages 2 through 5 are required to have one seasonably and size appropriate complete change of clothing at the center at all times. A complete change of clothing includes shirt, pants, underwear and socks. Teachers will post reminders for parents to update changes of clothing as the weather begins to change. All clothing items must be clearly labeled with the child's first and last name. This includes, coats, and hats. St. Ignatius Early Childhood Center is not responsible for lost or damaged items of clothing. Coats must be provided in the winter months.

Jewelry/Accessories:

Children are not permitted to wear jewelry of any kind with the exception of small stud earrings for girls with pierced ears. It is a safety hazard for your child as well as the other children enrolled in the program. In addition, St. Ignatius Early Childhood Center will not be responsible for lost or stolen valuables. It is the parents' responsibility to enforce this policy with their children. Should a child come to school wearing any jewelry, parents will be required to take it with them, or to return to the school to remove the jewelry if it discovered after the parent leaves. Repeated (more than 3 violations per school year) violations of this policy are considered to be violation of SAFETY POLICIES (#23) and will result in dismissal from the program.

Hair beads are not to be worn by children. These accessories are considered to be safety hazards. When choosing accessories for your children be mindful of the potential safety issues they present not only for your child, but also for the older and younger children attending St. Ignatius Early Childhood Center.

21.2 PARENTS

Clothing

Parents are required to be dressed in appropriate clothing while at St. Ignatius Early Childhood Center, or involved in any St. Ignatius Early Childhood Center sponsored events. Inappropriate clothing would include, revealing, extremely short, ripped/torn (in inappropriate places), and/or see through articles of clothing. Anything with suggestive or vulgar language is prohibited.

.....

**POLICY: PARENT/ FAMILY PARTICIPATION AND
VOLUNTEERS**

POLICY NO.: 22

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

Parents are invited and encouraged to be involved in their child's school activities. There are many different ways in which parents can participate and volunteer at the center. Parents may volunteer to read in the classroom, assist teachers, and/or coordinate special events. Parents unable to volunteer directly in the classroom may donate items, do maintenance work or assist teachers in preparing activities for the classroom. These volunteer opportunities are posted in the main office area on the parent bulletin board and posted on our web page at www.st.ignatius.net (under "schools" link).

Any parent who volunteers in the classroom on a regular basis will be required to pay for and secure all criminal background checks, as required by our licensing regulations. Any person, including parents, with felony convictions, sex offender convictions and/or open investigations into any criminal activities will not be permitted to volunteer in the classroom or on school property.

Parents with court orders detailing custodial arrangements will only be permitted to volunteer on days in which they are afforded custody (joint/shared custody arrangement) as per the court order. For example, if a parent is afforded custody on Tuesdays and Wednesdays that parent will only be able to volunteer on those days. Parents with visitation only (sole/exclusive custody arrangements), will only be permitted to volunteer with the express written permission of the custodial parent.

St. Ignatius Early Childhood Center reserves the right to make volunteer assignments. St. Ignatius Early Childhood Center does not guarantee the volunteering parents will be assigned to locations where their child (ran) is present.

POLICY: HEALTH AND SAFETY

POLICY NO.: 23

APPROVED BY: *Sharon L. Stokely*

EFFECTIVE DATE: 06/21/2018

23.1 PRE-ENROLLMENT REQUIREMENTS

Each child is required to complete a pre-enrollment packet of information. This packet is to be returned to the center's office prior to the child's first day of attendance. All children are required to have a complete up to date immunization record on file at St. Ignatius Early Childhood Center. This is per our licensing regulations. The Catholic schools in the Diocese of St. Petersburg do not recognize a religious objection to immunization. If you have chosen not to have your child immunized, please ask the center director for an immunization waiver form. Immunizations may be waived for certain reasons. All Children may not be fully immunized. Please discuss this with the Center Director to determine whether you have the right to be enrolled and not have your child immunized. Parents are required to have a wavier on file in place of an immunization record, so that the center can maintain compliance with licensing regulations.

All children are required to have a physical examination form filled out by a licensed medical professional, in order to attend St. Ignatius Early Childhood Center. The Physical Examination Form and the Immunization Record Form, indicating the child's fitness to attend St. Ignatius Early Childhood Center, must be completed by a licensed healthcare professional and returned to the Center Director upon enrollment. An appointment card must be presented showing a scheduled appointment for a child to be immunized and obtain the health record within the first 30 days of enrollment if not present on the first day of attendance.

23.2 CHILDREN WITH SEVERE ALLERGIES

For the safety of your child, parents are required to provide a signed copy of the "Authorization for Emergency Care for Children with Severe Allergies" form, detailing any allergies, food or otherwise, from which their child suffers, at the time of enrollment or when the allergy is discovered. This form must be completely filled out by the child's physician and parent(s) or legal guardian(s), and must be updated every year, or more frequently, as needed. In addition to this form, parents must provide a copy of any additional physician's orders and procedural guidelines relating to the prevention and treatment of the child's allergy. This form can be obtained by request from St. Ignatius Early Childhood Center office.

Parents must also execute a "Release and Waiver of Liability for Administering Emergency Treatment to Children with Severe Allergies" form. This form releases St. Ignatius Early Childhood Center from liability for administering treatment to children with severe allergies and taking other necessary actions set forth in the "Authorization for Emergency Care for Children with Severe Allergies" form, provided St. Ignatius Early Childhood Center exercises reasonable care in taking such actions.

Any medication required to treat an allergic reaction must be provided in accordance with the Medication Policy detailed herein.

23.3 COMMUNICABLE DISEASES

St. Ignatius Early Childhood Center follows all health/communicable disease policies as outlined in the American Academy of Pediatrics Model Health Policies and Procedures Manual. A copy of this manual is on file with the Center Director and is available upon request for review. Additionally,

copies can be purchased, for a nominal fee, from the National Association for the Education of the Young Child (NAEYC).

Parents are required to pick up an ill child within 45 minutes of notification by phone. If a parent is reached, but can not pick their child up within 45 minutes, it becomes the parent's responsibility to arrange for alternate pick up with someone listed on the child's emergency contact form. The staff will not continue to call those listed on the emergency contact list once a parent is reached. If a parent can not be reached, the staff will begin to call the people listed on the emergency contact form, until arrangements can be made for the child to be picked up. The child will remain in the front office with the Director until the parent or designated pick up person arrives.

Children will be excluded from participation in the program if they exhibit symptoms of any communicable disease. They will not be permitted to return to the program until they are no longer contagious. Guidelines for determining the contagious period for a specific illness are based on the recommendations by the American Academy of Pediatrics. Children must present a doctor's note stating they are no longer contagious and can return to the program. St. Ignatius Early Childhood Center reserves the right to refuse to allow a child to return if the Center Director or designee believes the child to be too ill to participate in the program.

Children excluded from the program due to a fever may not return to the program until they are fever free, without fever reducing medication, for 24 hours. If your child is sent home due to a fever, he/she is not permitted to return to the program the following day at a minimum. A fever is defined as a temperature reading on a thermometer of at least 101 degrees Fahrenheit or more as taken under the arm.

Children are required to be excluded from the program for loose bowels or diarrhea which occur 3 or more times in a 24 hours period of time. Children may return to the program when normal bowel movements resume.

If your child will be absent due to illness, we request that you notify the center. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with faculty on a "need to know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the center director, so that the parents of the children in the school may be notified that a communicable disease is present. Once again, only the communicable disease information will be shared. St. Ignatius Early Childhood Center will take all measures necessary to protect your child's confidentiality. You are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

23.4 BITING

St. Ignatius Early Childhood Center recognizes that biting is a developmentally appropriate behavior for children in the 2 year old classrooms. Parents with children in these classrooms should expect that their children may be bitten, or will bite another child. The staff understands that parents are concerned and can be upset when their child is involved in a biting incident. We ask that you remember this is a developmentally appropriate behavior, and that the staff is working to identify situations which provoke, or elicit, this behavior so it can be prevented in the future. The staff will not punish, or harshly discipline children in the younger classrooms for biting behavior; they will simply redirect the children to different activities in separate areas of the classroom. Parents are expected to work with staff to identify methods and strategies to curb this behavior. Uncooperative parents will have their child's services terminated.

Children older than 3 years of age may occasionally be involved in a biting incident. For children in this age group who bite, the staff will use the discipline procedures outlined in the discipline section of this handbook, as well as observe the child to determine what provokes or elicits this inappropriate behavior. Parents are expected to cooperate with staff to help their child control this behavior. Uncooperative parents will have their child's service terminated. Furthermore, children, in the older age groups, who bite 3 times in a school year will have their services terminated since, the safety of all the children in the program is of the utmost concern of St. Ignatius Early Childhood Center.

Parents will be notified by incident/accident report that a biting incident occurred during the course of the day. The staff may not discuss with either parent the identity of the other child involved in the incident. This information is considered to be confidential and can not be disclosed. The staff of St. Ignatius Early Childhood Center cannot discuss the medical history of any child involved in a biting incident with the other party. It is recommended that any child involved in a biting incident be seen by their family physician if the parents are concerned about communicable diseases possibly resulting from the biting incident.

23.5 DISPENSING MEDICATION

St. Ignatius Early Childhood Center will not dispense any over the counter or prescription medication except for severe allergy epi-pens. We have an R.N available at all times to answer staff concerns regarding sick children.

23.6 FIRE/EMERGENCY DRILLS

St. Ignatius Early Childhood Center conducts monthly fire and emergency/evacuation drills. Parents, staff and children will not be made aware of drill dates or times, as this is the most effective way to assess the effectiveness of fire and emergency/evacuation plans.

During a fire/emergency drill or real fire/emergency situation, parents may not sign children into or out of the program. Parents must wait until the drill is complete and children have returned to the building to sign their child into the program. Parents may feel free to wait with the child's class in the designated safe-zone outside of the building until the drill is complete.

In the event of a real fire/emergency situation, the Director or designate will inform each classroom teacher that the school will be closing. At this time any parents waiting to sign their child in will have to leave the premises with their child. All other parents or emergency contact persons will be notified by telephone Honeywell Instant Alert of the situation. As with the sick child pick up policy, children must be picked up within 45 minutes of the telephone call.

Parents wishing to sign their child out of the program during a fire/emergency drill or real fire/emergency situation are expected to have patience with the staff as they are trying to maintain order during an often hectic and dangerous situation. If the center is in the midst of a fire/emergency drill, parents will be required to wait until the drill is completed and the staff and children are returned to the building to sign their child out of the program. If the center is having a real fire/emergency situation, parents will be asked to wait until the Director or designee has accounted for all staff and children and gives the staff permission to release children. Once again, it is important for parents and staff to work together, remain calm, and cooperate with the fire/emergency personnel and Center Administration during these important and critical situations.

23.7 ALTERNATE SAFE LOCATION

Should the administration of St. Ignatius Early Childhood Center or any emergency services personnel determine the building which houses the center to be too dangerous to be occupied, the

staff and children will be taken to Plato Academy, 2795 Keystone Road, and Tarpon Springs. Once the children are assembled here, the staff will begin contacting parents or emergency contacts for pick up. As stated before, children must be picked up within 45 minutes of the telephone call.

23.8 INCIDENT/ACCIDENT REPORTS

Should your child be involved in an incident/accident during the course of the school day, a staff member will complete an Incident/Accident Report. The Incident/Accident Report will be handed to the parent for a signature and the parent will receive a copy.

23.9 FOODS

All food items must be labeled with your child's name. St. Ignatius Early Childhood Center does not permit children to share or exchange food items.

For the safety of your child, parents are required to provide notification, in the form of a doctor's note, of any allergies (food or otherwise), with instruction for treatment should a child have an allergic reaction. Please refer to the Health and Safety Policies contained herein for further information.

Parents are required to provide written notification of any food/dietary restrictions. (i.e. lactose intolerance, vegetarian diets, wheat free/gluten free diets)

St. Ignatius Early Childhood Center never uses food as a punishment. Children will never be denied participation in lunch or snack time for behavior reasons.

St. Ignatius Early Childhood Center asks parents to provide a healthy snack for their own child. St. Ignatius Early Childhood Center DOES NOT serve breakfast.

All snacks are parent provided from home, with the children sitting at tables, to promote good manners, eating habits and socialization skills.

Lunch Bunch

St. Ignatius Early Childhood Center curriculum focuses on developing healthy, well-balanced eating habits. Therefore, parents are required to provide a full, healthy lunch and water for their children each day they are in attendance. Lunches should include a sandwich (or main entrée item), snack(s) and a water or white (non-flavored) milk. Snack food items should be healthy, such as fruit, vegetables and the like. All uneaten food will be placed back in the child's lunch so parents can see what items and how much their child consumed during the day. Parents should limit the number of choices offered in their child's lunch, as children often become distracted by the choices. Parents should provide enough food so that their child is satiated, but not so much that food is wasted.

St. Ignatius Early Childhood Center does not allow candy bars, sodas, or candy treats such as Skittles, Starbursts or gum, in a child's lunch. If you wish for these foods to be a part of your child's diet, please give them to your child at home.

St. Ignatius Early Childhood Center prohibits any food item in glass or aluminum cans of any kind. This can be a safety hazard for the children and staff. Parents will be asked to sign a snack/lunch agreement upon enrollment.

Lunches will not be heated for any child.

23.10 SNACKS

Mid morning snacks will be provided by the parent daily. St. Ignatius Early Childhood Center will ask our parents to provide a healthy, nutritious snack and water or white (non-flavored) milk.

23.11 PEANUT/NUT FREE CENTER

Due to the extreme nature of allergic reactions to peanuts and products containing peanuts in some children St Ignatius ECC prohibits peanuts and/ or foods containing peanut/nuts products on St. Ignatius ECC property and /or St. Ignatius ECC sponsored events.
