Mom's Morning Out

Our “Mom’s Morning Out Program” is a drop-off playgroup that offers structured care for two hour sessions twice a week for children ages 1 year and walking through 36 months.

Located in the St. Ignatius Parish Life Center Building in Classroom #8

Sessions are available without an appointment every

Wednesday and Thursday

9:30am – 11:30am

Parents can attend to: occasional appointments (medical, hair, nail, dental, etc.), grocery shopping...whatever you desire – without the need of finding permanent childcare.

Children can interact with peers and have a great time while you attend to yourself.
