Twining is the SVdP response to the **Parable of the Good Samaritan** – who is my neighbor? Our neighbors are our friends within our parish geography, our neighbors in Northern Kentucky, and our neighbors throughout the world. Our St. Barbara Vincentians are not only serving neighbors in our local area, but also Newport, Covington, and many other unserved areas in Northern Kentucky.

On behalf of the people served, we thank you for your generosity and hope that you will pray for those who are in need. We serve in **HOPE** for those who are often in despair. The visits we conduct are integral to what we are about - communicating the care and love from you, the St. Barbara community - to those in need that they are not forgotten and are remembered in prayer. We ask for your continued generosity to support this ministry.

"No one is so rich that he cannot receive, and no one is so poor that they cannot give." Vincent de Paul
