THE CHURCH – ITS MANY PARTS & SYMBOLS

Catholic churches are built in many styles and
sizes; some are older while others are newer.

From the Church's beginning it has used
symbols to help us understand what we
believe. The church's many parts and
symbols include the baptismal font, Paschal
candle, ambo, altar, crucifix, ambry with holy
oils, sanctuary candle, sacristy, tabernacle
with the Body of Christ, processional cross,
chalice, Book of Gospels, chalice, Roman
Missal, Stations of the Cross, reconciliation
room, and more.

National Vocation Awareness Week November 3rd to 9th

Your child is never too young to talk to them
about marriage, priesthood, or religious life.

Especially in the teen years, your child is thinking about what
they are going to do with their lives when they graduate.

ALL PROCEEDS BENEFIT KAITLYN WALFORD

Kaitlyn is a 14 year old student at Father McGivney High school, a former student of St. Clare Catholic School, and a parishioner of St. Clare Catholic Church. She is the daughter of Dan and Lauren Walford. Kaitlyn was a healthy and vibrant child when in April of 2025, she went to the ER for what appeared to be an infected bug bite. Less than 24 hours later, she had a definitive diagnosis of High Risk B Cell Acute Lymphoblastic Leukemia. What we thought was a bug bite, was actually a mass of leukemia cells. She would spend the next 5 consecutive weeks in the hospital fighting this aggressive cancer that had quickly taken over her body. Kaitlyn's treatment will be a long 2 1/2 year battle full of clinic appointments for chemotherapy infusions, physical therapy, and many additional hospital stays along the way. Kaitlyn is a bright young lady who has a passion for reading, drawing, and dance. She has had to take a huge step back from dance, but we are hopeful that she will soon be back dancing like she was before diagnosis. We have an amazing community that has been praying for her every step of the way and we are incredibly thankful for that!
