**\*Unless there is a workshop or special event scheduled.**

The center reopened the card room on Friday afternoon to give our members more time to get together. When the reopening was announced, we indicated that at least once per month, the room may be closed for an educational workshop, presentation or event. Since our goal is to provide activities that appeal to a variety of interests, we may need the card room for program requirements and seating.

Room closure announcements are posted in advance at the CoPilot computer, in our weekly e-blasts, and on calendars posted in the lobby and card room.

**Your cooperation is greatly appreciated.**
