\* Final Commendation- "Song of Farewell" by Ernest Sands

For everything there is a season, and a time for every matter under heaven:

A time to be born, and a time to die:

A time to plant, and a time to pluck up what is planted;

A time to break down, and a time to build up:

A time to weep, and a time to laugh:

A time to mourn and a time to dance:

For everything there is a season, and a time for every matter under heaven.
