

Fremont, Nebraska June 23rd-28th, 2019 Interest and Contact Form

Catholic Heart Work Camp (CHWC) offers a week of uplifting music and prayer experiences to inspire high-schoolers to move forward boldly in their Catholic Faith. Focused on the Mission of Christ and His mission of service to others, the service aspect always remains at all CHWC camps! The elevated portion will inspire those leaders (9th graders through young adults) who are focused, eager, and willing to fully seek Christ and His Church, and to remain active Catholic Servant Leaders at home and in the world!

Majority of the CHWC projects are home repair. We also work with a few child care organizations. The rest of the groups help out at non-profit agencies, senior citizen apartment complexes, and homeless shelters.

Please fill out the following and return it to the Parish Office no later than **December 14th, 2018**. Further details will be available through email with a follow-up meeting in November. For more information, please contact Micaela Andrews at youthministry@crpiusx.org or 319-393-4445x136
