

### **Year-end Match Campaign**

St. Pius X has had a long-standing partnership with the Jessie Ball duPont fund (JBDF). Jessie Ball duPont understood deeply the human obligation to share one's good fortune with those less fortunate, to give generously, to open one's heart. **JBDF will match all donations made online through December 31.** This campaign is an excellent opportunity for the church to earn additional funds. It is even more critical to support our church community during this pandemic.

- Donations must be made online; donations made by check or in cash will not count toward the match.
- Donations must be made by individuals (not corporations).
- The match is capped at **\$500 per transaction**. There is no limit to the number of transactions that an individual can make.
- The JBDF will match up to \$25K in total donations to St. Pius X.

We could not do any of this without your support!
