What is Marriage all About?

Mark 10:2-12

In today's Gospel reading Jesus was telling the people about God's idea of marriage.

You know that marriage is what happens when a man and woman get married. But did you know that it is a sacrament? God gives special graces to people who get married so they can love each other well and raise good children.

Do you know what marriage is for? God made husbands and wives so that they could help each other to get to Heaven. But that's not all. When people get married, they are also starting a new family. Together with the father and mother, God brings new children into the world. He gives the parents all the help they need to raise their children.
