

A Portrait of My Patron Saint

Do research on the life of your patron saint for Confirmation-act as their biographer. Where did they live? What's most notable about them? What is a weird fact about them or their lives? In the box, paste or draw a picture of your saint (or a symbol that represents him or her). On the lines, write a summary of your saint's life story.

If you can find it in a sacramentary or missal, find the opening prayer of the Mass said on your saint's feast day. If you can't find it, no worries, find any prayer connected to or attributed to your saint. **Pray it often.**
