St. Paul the Apostle Rosary Garden

The Beauty of St. Paul the Apostle Parish Is Now Brought Outdoors!

Most everyone agrees that the interior of our church is beautiful. Now we are working on bringing that splendor beyond our walls to the grounds outside our church building.

Late in 2021, we plan to install a five-foot tall fiberglass statue of the Blessed Virgin Mary, resting atop a base and foundation, on the west side of the parish grounds near the pond. This statue will be a creation of *Inspired Artisans of Milwaukee*.

In 2022, we will create the Rosary Garden around our Blessed Virgin Mary statue. The beads of the rosary will be engraved into bricks surrounding the statue.

Additionally, the garden will be graced with trees, benches and a brick walkway to and around the garden.

Once completed, the Rosary Garden will offer a unique prayer space that will enhance the charm and appeal of St. Paul the Apostle Church.

Please see the other side of this brochure for information on purchasing your own personal engraved bricks to remember and memorialize special people and dates, and to thank God for His blessing on your loved ones and you.

We hope you will join us in this journey to help St. Paul Parish to be ever more beautiful and more prayerful.
