- Prayer and reflection
- Review of the minutes from last meeting: Approved as written
- Pastor's report:
 - Look at officers for next year. If anyone is interested in being Chair, Co-Chair or Secretary let Fr. Alex know before the retreat on August 1st.
 - Fr. Alex proposes to take all 4 masses for 3 weekends in a row. On the 4th weekend, a retired priest could take 3 of the masses while Deacon John is preaching. This would allow Fr. Alex to see all of the people during a weekend while still taking care of himself. What is the best way to do this?
- Year of the Disciple: Propose to be intentional this year for forming our parish in discipleship. Decrease in numbers across the board indicate a lack of life flourishing and growing in our parish.
 - Planned Parish Mission in Jan on Discipleship.
 - Ideas: Listening sessions, Focus our PC retreat on this formation, offering a model of discipleship, offering friendship, cultivate natural pathways to discipleship inside and outside the parish like ministries, small groups, RCIA, and culture, connect and unify internally and then go out, how do we welcome people.
- Facilities Cleaning Verification Form: Review and provide comments and feedback.
- Security Update: In the last 2 months security system at HS installation has begun and will be completed by July 17th. 13 camera system to allow for monitoring of all buildings on campus. Thanks for your work, Bob
- Follow Up on Phone calls. Possibility of opening it up to people who have the desire or gift for this.
- Evangelization Coordinator: Joe Paul will be moving into the campus minister position at MHS and he will continue to do some work in our parish with youth ministry and confirmation.
 - What should the role of this position be like now? What do we need?
 - We are missing evangelization and ministry for young families. We need a good communicator and someone who can relate to that age group.
- Retreat will be on Aug 1st
