

## S.H.E.E.P.

(Sing His eternal, everlasting praise!)

June 1, 2016

Dear SMKCS 4<sup>th</sup> Grader,

Hello, it's Mrs. Landrum, and I am so excited to be your teacher. Wow! Can you believe that you are going to be in 4<sup>th</sup> grade?! We had such a good time on Move Up Day, and I cannot wait to continue that fun this year. I have taught some of you before, and some of you I'm teaching for the very 1<sup>st</sup> time. I am SO excited to be on this 4<sup>th</sup> grade adventure with each of you!

How has your summer been going? Did you take any great trips or see any cool things around home? Mine has been busy. I have been reading books for fun, and I have been reading some books to help me be a better teacher. I have also spent lots of time planning for our year of learning together and getting room 11 ready. I even attended a two day conference about Reading with Mrs. Bierman! Trust me; we are going to have a blast!

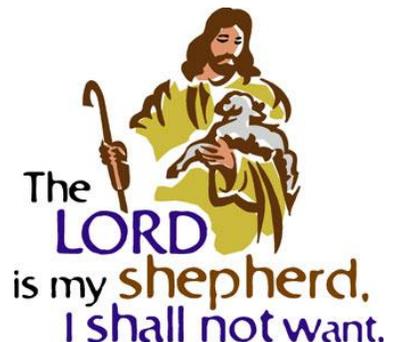

My family and I have had loads of fun too! My husband, Darin, and I love to spend time with our children, Nick and Syd. Syd turned 12 in March, and she is so excited to be in 7<sup>th</sup> grade at Highland Hills! Nick just turned 15 in April, and he is also very excited to be going to Floyd Central in the 9<sup>th</sup> grade. We have enjoyed attending dance classes and camps, swimming, getting ice cream at Polly's Freeze, and spending time with my nephew, Nate, who had his leave from the U.S. Marine Corps with us this summer.

Our school theme this year is "S.H.E.E.P." We are all sheep in God's flock, and we know that Jesus is our Good Shepherd. We will work hard this year to "Sing His everlasting, eternal praise!" We'll be singing His praises as we build our faith, learn, and grow in our 4<sup>th</sup> grade classroom. As your "school shepherd" this year, I will keep you safe academically, emotionally, and socially, and my goal is to make each day challenging but also interesting. Your goal is to be the best little "sheep" you can be each day. ☺ It's OK if we make mistakes together because we can learn from those mistakes and become better.

We have so much to look forward to this year. We will be increasing our knowledge in math, reading tons of great books, creating glorious art projects, learning about our great state's history, and celebrating Jesus' amazing love for each of us! Get plenty of rest. I will see you soon!

Love,

Mrs. Landrum ☺
