

SMKCS

WELCOME TO ST. MARY OF THE KNOBS

As a Fifth Grader at SMKCS you will...

- participate in fascinating hands-on units of study designed to integrate all areas of curriculum using best practices and fair assessment
- take courses in Technology, Spanish, Music, Physical Education, and Library
- experience real literature with trade books of different genres
- mentor younger students as their reading buddy
- explore scientific principles through hands-on lab experiments
- showcase writing pieces during share fairs and writing celebrations
- have opportunities to improve public speaking and presentation skills
- be given leadership roles in adventurous Interact Simulation games
- plan liturgies and prayer services
- participate in expanded roles at school liturgies including serving, lecturing, and cantering
- participate in the Eucharistic Adoration and learn new prayers such as The Morning Offering, The Angelus, The Rosary, and The Memorare
- learn about catholic social teachings and the physical, emotional, and psychological changes you may experience this year
- take the I-STEP+ with Social Studies section
- perform in our Christmas Program, Veteran's Day Program, Valentine's Day Program, and Mother's Day Tea
- have opportunities to compete and excel in Science Fair
- visit CYO Camp for 2 nights and 3 days for outdoor educational classes and team building activities
- see how it feels to work for a living during our field trip to Junior Achievement's BizTown
- serve as an officer on our student council
- participate in deanery athletics such as soccer, b-ball, track, cross country, cheerleading, and v-ball
- learn to use our Smart Board technology
- star in our Spring Musical
